"IMPERIALIST'S" OPINION ABOUT "CALIPH'S" ARTICLES.

From: NEW YORK

To: MOSCOW

No.: 1515

25 October 1944

To VIKTOR[i].

[2 groups unrecovered] AKHMED[ii] we are passing on
IMPERIALIST's (henceforth "KATZ" [KATs])[iii] opinion about
CALIPH's [KALIF][iv] articles which were printed in the magazine
Fortune:

1. The USSR is playing a private

has[b] other plans. It may be a question of a rapprochement with
Germany for [C% which] the USSR has more opportunities than the
Allies. If the Allies attempt to lean on the German anti-fascists,
the latter will not cope with the powerful and organized fascist
underground; the USSR is better prepared, since if necessary she
can liquidate the fascist underground at the hands of the Germans
themselves; it is for precisely this reason that the USSR is
carrying on the business with the captured generals. *The Allies
are deprived of such a possibility.*

2. *[10 groups unrecovered]*

There is no reason to fear that
~~then~~ the USSR will attempt [C% to *nationalize* ~~communise~~] Europe by some
